**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support more competition in the Internet Access market, not Less. Newer technologies, and privacy protections are important to me, and those are delivered by local community network type Internet Access operations.

I very much appreciate having an independent, locally-owned internet provider and want to keep it that way!

There is not enough competition in the internet providers world and that must change!

Sincerely,

Violeta Kovacevic
